Expression of Interest for Creative Projects with Young People

Aġenzija Żgħażagħ is seeking to identify suitable creative projects that can be implemented with young people in Gozo. Projects should be implemented over a span of 8 sessions of 2 hours each in the morning and may take place as part of Aġenzija Żgħażagħ Summer Programme in Gozo.

The aim of the projects is to engage groups of 20-25 young people in creative initiatives that provide them with opportunities for leisure as well as personal, interpersonal and social development. Young people may be between the ages of 13-16 or 16-19.

Creative practitioners are to provide a description of the project they wish to implement, the intended audience as well as a cost breakdown for the project and any specific resources or equipment required.

Projects will be selected based on their:
- ability to engage young people in new leisure and learning experiences
- affordability
- suitability
- experience and/or qualifications of the creative practitioner

Selected projects may be repeated more than once with different groups of young people. Bidders should indicate their availability to provide the sessions in mornings, afternoons, evenings as well as during the summer.
