Minor Staying in Alternative Accommodation

All students under 18 years of age at IELS Malta are strongly recommended to be placed within supervised accommodation facilities, such as a Host Family or at the IELS' Residences. This policy ensures that students are safe and monitored while in our care and supervision.

Should any minor be booked in alternative accommodation, IELS cannot accept any responsibility for the individual and cannot be held liable should any issues arise, or costs be incurred. The written consent from their parents or legal guardians in advance is required.
